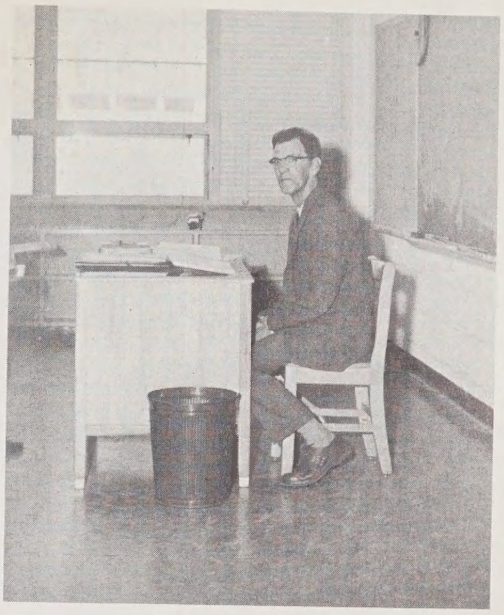
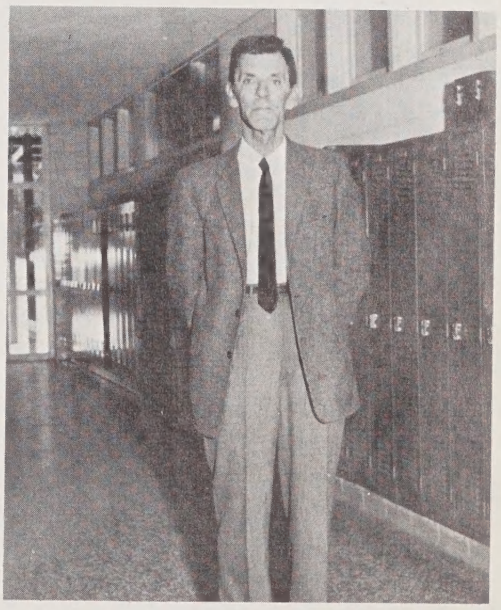
Mr. Harold G. Dellinger





Dedication

We, the 1966 Senior Class of Anson High School, are proud that we can dedicate the 1966 Aquila to Mr. Harold G. Dellinger. His great devotion to duty and contribution to society in developing the generation who will be the citizens of tomorrow is his prime, unselfish effort. With all sincerity and love we can extend this dedication as a means of our appreciation.

Principal's Message

It is my privilege, through the use of the Aquila, to congratulate the senior class for your successful completion of the requirements for graduation from Anson High School. May I very respectively challenge each of you to continue to strive for the best that is within your ability. To settle for less than your capabilities could very well deny you of the many finer things in life.

My advice to you is to work hard and take advantage of the opportunities of life. My very best wishes are extended to each of you.

Sincerely,

Lee G. Allison

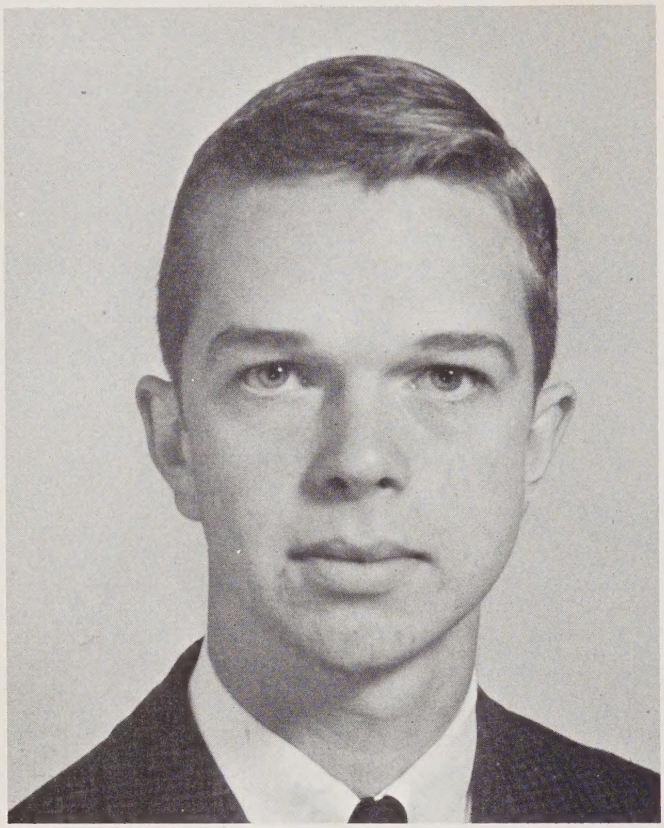
Foreword

The Aquila opens.
Our trail stretches ahead.
We look backward and see
the winding road that has brought
us here.
We look forward toward a limitless
future waiting just around the bend.
Gratefully we remember those who
first trod Anson High's path.
They established her traditions
and blazed the trail for us.
Humbly we pick our packs and
walk purposely onward.
There is much that still must
be done, and the trail is beckoning.

In Memoriam



BAXTER "Al" HEDRICK

We, the Senior Class out of love and respect for these two former classmates find that Section LIV from Tennyson's "In Memoriam" can best express our thoughts for them.

LIV

Oh, yet we trust that somehow good
Will be the final goal of ill,
To pangs of nature, sins of will,
Defects of doubt, and taints of blood;

That nothing walks with aimless feet;
That not one life shall be destroyed,
Or cast as rubbish to the void,
When God hath made the pile complete;

That not a worm is cloven in vain;
That not a moth with vain desire
Is shriveled in a fruitless fire,
Or but subserves another's gain.

Behold, we know not anything;
I can but trust that good shall fall
At last--far off--At last, to all,
And every winter change to spring.

Tommy,
I guess you know that I hold you among the top of my best friends. You always seem to be around when I need a friend. Thank you. You make for a wonderful fellow.

Rosemarie Bowers

Tumor,
It has been great having you for a friend. Man will we go wild next year. Angus
Tommy

Just think next year we'll be seniors. Then we'll be the "big wheels."

Tommy, I can really say I've enjoyed going to school with you. Your warm personality had brightened many dull days.

Best of luck always to a real swell guy.

Love ya,
Janice

Tommy,
JUST WAIT UNTIL NEXT YEAR! WE WILL HAVE A BALL. HOW ARE YOU AND Liz GETTING ALONG? Could I BE BEST MAN?
THE BEST OF Liz LUCK to a fellow known for his SUPURB CHARACTER AND BRAINS.

DARRELL

Tommy,
I've enjoyed going to school here at Carson with you. You are really nice person and a friend. Stay just as you are, be able to carry the ball, be able to carry yourself and success is bound to be yours.
Always,
Bonnie

Tommy,
We really have had some good times these past 3 years. Especially in Chemistry and during Lab. And I certainly enjoyed cheering for you during football season. I hope you play next year because you're really good. Best of luck to a very sweet boy and a very, very cute boy too.
Love ya,
Donna

Good luck and best wishes always to a very sweet boy. I prophecy great success in your life.
Always,
Marie

Tommy,
I've enjoyed
Being to school with you.
You are a swell guy

personality and I know
you will go a long
way in life.
May God
Bless you!
Peggy

Tommy,
3 years down, 1 to go.
For a great football player
like you it was pleasure
to cheer. Next year I hope
we can cheer harder for our
boys.
You have the greatest
personality of any person
I know and I always
hope you keep it. May
you have good luck the
rest of your life. To
the sweetest and cutest
boy - - -
Love,
Jackie

Tommy,
After three years here at Anson with you I don't believe I can count the best friends I can count on me to help at any time.
Joyce

Tommy,
Next year we will be in Texas. It has been great to school with you these past years in Chemistry. We will miss our last days in Chemistry. We will always & I helped you develop the qualities we want most to be in the future. Lots of luck to you in Texas because you deserve it. Good luck in the first stage of life.
Madeline

Tommy,
I have really enjoyed knowing you the past three years at Anson. I've really had fun watching all the rockets go up (getting out of Chemistry).
Stay just as you are now and you can't help but be a success.
Always,
Pat Taylor

Tommy,
I have enjoyed going to school with you for the past three years. You deserve the best out of life.
Lots of Luck!
Joyce

Tommy,
We've had some good times as well as bad ones in football but I've enjoyed playing ball with and going to school with you and I'm looking forward to next year.

Tommy,
Let me wish you the best of luck there is. You are a very sweet person and I am sure will go far in life.
A cousin,
Yvonne

Tommy,
I've known you only 2 short yrs. These yrs. have been grand. Last yr. in Biology we led a beast. This yr. I've not had as many classes with you, but hope next yr. I have all of them with you. Out of all my classmates I'll remember you longest. You are the sweetest & dearest classmate I'll ever have. May God Bless a sweet, nice & good-looking boy. You deserve the best - May you get it.

Love,
Judy

Tommy,
The past three years have been fun, haven't they? We've had some great times together. Remember all the h-- we gave Miss Smith! And all that rocket tracking we've been doing. And, of course, who could forget the night at Polkton's Halloween Carnival - Didn't we have a ball?!
Tommy, I sincerely wish you the best of luck in years to come. I can honestly say that I admire you a great deal and value your friendship. You're a true friend and I hope everywhere you go, success will follow you. Good luck, Tommy, and May God bless a truly wonderful guy!

Love,
Betty

Tommy,

I'd just like to say that I've enjoyed knowing you and being you're friend. You're a swell guy and deserve all the luck in the world. The Best to you in everything you ever do.

Always a friend,
Iris Bowers

Tommy,

It's been a pleasure going to school ~~to school~~ with you for the last 3 years. Remember last fall and football it was certainly a lot of fun. I'm sheptical about playing next year since "Hal Tarleton" said he was going to rack me up. It really scares me Tommy, that brute hitting me like a Brahma Bull, well enough for that.

Good luck Pal,
Gregory Johnson

Dear Tommy
As I look back on the last eleven years, the things we have done seem incredible. We've really had some great times.
Honestly speaking, you are one of the finest and most sincere guys I have ever known. You have the ability to do far in life - I know you will!!!
Thanks for setting he to all those handsome, handsome for helping me pass chemistry, and most of all, thanks for being Tommy, Allen.

Love,
Carolyn

Tommy,

You are a great guy and one of the best persons I have ever met. One of these days we will have to get together and construct a giant spark-gap transmitter. If we can't pain 'em, we'll beat 'em. Keep listening for the VOM (Voice of Morven) WIAT-WIAT-FM-TV operating on an unassigned power of 50,000 MILLIWATTS (sounds big that way). Transmitter location on Mole Hill, Southern McFarlan. And don't forget the <u>licensed</u> SW station W4UIAT. Keep sparkin' and maybe some day you will be brilliant like me.

Your electronic advisor,

Punky

Tommy

You are of my very best friends and I treasure the thought of just knowing you. Your personality and pick-plain old Tommy has made the school year the more enjoyable. I guess this Angel got thought pretty well, sticking up with you talking all year. Seriously stay the same happy go lucky kind of guy you are.

P.S. See you in Wesmont (Charles Ballard Pond)
